

Good Service is Good Business

Dock Ladders

Available from 3 to 7 steps!

Straight, Finger Pier, Lift, Swing & Easy Access

**Also Available:
4" Wide Step Option**

Accmar Equipment's aluminum dock ladders are manufactured from 6063-T5 marine grade aluminum and are fabricated by AWS Certified Welders to ensure lasting strength and durability.

Our dock ladders have been tested for a safe design capacity up to 665 lbs/rung and can be used in any fixed, floating dock and seawall location. Grooved ladder rungs are 2" wide and provide for extra traction.
